Dear The Federal Communications Commission,

Congratulations on your appointment to Chair the FCC.

What's this I hear about raising taxes for consumers and lowering taxes for big businesses? That is backwards! It's ridiculous, preposterous, outrageous! Don't tell me the FCC has gone corrupt as well. Isn't there any government company that believes in fairness?

I urge you to keep the USF fair, and adopt the Fair Share Plan. Thank you, and best of luck in your new position.
